Opinion on Financial Statement

We have audited the accompanying statement of financial condition of Altruist Financial LLC (the “Broker-Dealer”) as of June 30, 2022, and the related notes (collectively referred to as the “financial statement”). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Broker-Dealer at June 30, 2022, in conformity with accounting principles generally accepted in the United States of America.

We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (“PCAOB”) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. ALTRUIST FINANCIAL LLC

Notes to Statement of Financial Condition

June 30, 2022

(1) Description of Business

Altruist Financial LLC (the "Company") is a single member LLC incorporated in the state of California and is a wholly owned subsidiary of Altruist Corp (the "Member"). The Company is an introducing broker dealer registered with the Securities and Exchange Commission ("SEC") and with the Financial Industry Regulatory Authority ("FINRA"). The Company is approved by FINRA to engage in introducing brokerage activities, as such, the Company does not hold funds or securities for, or owe money or securities to, customers.

The Company utilizes services provided by Apex Clearing Corporation ("Apex") in relation to its introducing brokerage activities. Services include but are not limited to custody of customer assets, management of the fully paid lending ("FPL") program, administration of the FDIC sweep program, clearing, and settlement services.

(2) Summary of Significant Accounting Policies

Basis of Presentation

The statement of financial condition has been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP"), which require management to make certain estimates and assumptions that affect the reported amounts and the related disclosures. Actual results may differ from those estimates.

Cash and cash equivalents

The Company considers all highly liquid investments that mature in three months or less from the time of acquisition to be cash and cash equivalents. Cash and cash equivalents include deposits with banks and money market funds.

Fair Value of assets and liabilities

Fair value is defined as the price that would be received to sell an asset or the price paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurement accounting guidance describes the fair value hierarchy for disclosing assets and liabilities measured at fair value, based on the inputs used to value them. The fair value hierarchy requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The fair value hierarchy includes three levels based on the objectivity of the inputs, as follows:

- *Level 1* – inputs are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- *Level 2* – inputs are quoted prices for similar assets in an active market, quoted prices in markets that are not considered active or financial instruments for which inputs are observable, either directly or indirectly.
- *Level 3* – inputs are prices or valuations that are significant to the fair value measurement and are unobservable.

ALTRUIST FINANCIAL LLC

Notes to Statement of Financial Condition

June 30, 2022

The Company applies valuation techniques consistent with the market approach for assets measured at fair value on a recurring basis. The Company's financial assets that are measured at fair value on a recurring basis include the investments in money market funds, which are reported within cash and cash equivalents in the accompanying statement of financial condition.

Financial assets not measured to fair value on a recurring basis include receivables from clearing organizations and other assets. Due to the short-term nature of the financial assets, the fair value approximates the carrying value.

Receivables From Clearing Organizations

Receivables from clearing organizations consist primarily of a \$750,000 security deposit with Apex.

Lease Accounting

The Company is not a party to the Member's lease agreement, as such, the Company is not bound by the terms of the agreement. In accordance with Accounting Standards Codification ("ASC") Topic 842 - *Accounting for Leases*, a right of use asset and lease liability were not recorded.

Income Taxes

The Company is considered a single-member LLC taxed as a disregarded entity. The Company is accounted for as a division of the Member and does not file separate tax returns.

Capital and Liquidity

The Company's ability to meet its capital requirements is dependent on continued financial support from the Member.

The Member has represented its ability and commitment to provide capital contributions to the Company, as needed, for a minimum period of 12 months from the issuance of the statement of financial condition. As of June 30, 2022, the Company has received a total of \$13,465,000 in capital contributions from the Member.

(3) Commitments and Contingencies

As of June 30, 2022, the Company did not have any commitments or contingencies that were probable and or reasonably estimable, which would have a material adverse impact on the Company's statement of financial condition. Hence, no loss amount has been reserved or disclosed in accordance with ASC 450-10 - *Contingencies*.

(4) Related Party Transactions

The ESA in place with the Member requires the allocation of costs and expenses incurred by the Member that are attributable, fully or in part, to the Company. The allocation methodologies are based on time, occupancy, and other relevant factors, and because these transactions and the agreement are with an affiliate, they may not be equivalent to those recorded if the Company was not a wholly owned subsidiary of the Member.

ALTRUIST FINANCIAL LLC

Notes to Statement of Financial Condition

June 30, 2022

(5) Net Capital Requirement

The Company is subject to the SEC Net Capital Rule (§15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At June 30, 2022, the Company had net capital of \$10,517,072, which was \$10,417,072 in excess of its required net capital of \$100,000. The Company's aggregate indebtedness to net capital ratio was 0.92%. The Company does not hold customers' cash or securities and, therefore, is exempt from the provision of SEC Rule 15c3-3 under exemption k(2)(ii). No other exemption would apply, as all transactions are cleared and settled through a clearing agent.

(6) Concentration Risk

The Company's cash and cash equivalents are maintained at one financial institution that is insured by the Federal Deposit Insurance Corporation. Amounts on deposit exceed the federally insured limits at times. Due to the strong capitalization and reputation of the financial institution, the Company does not consider itself to be at risk with respect to its cash and cash equivalents.

(7) Subsequent Events

The Company has evaluated events and transactions occurring subsequent to June 30, 2022, as of the date the statement of financial condition was available to be issued. Management believes that no material events have occurred since June 30, 2022, that require recognition or disclosure in the statement of financial condition.
